SDPD Update: Checklist for vice

RHCSD: Marian Novak reported that the Lead Training in Pacific Beach will be in November at the Catamaran and to RSVP to her. It can fit 150 people. Also, Shore Club has been using a Designated Driver button on their POS and it would be helpful if other restaurants could track it as well for more accurate numbers. Bub's and Sandbar volunteered.

Community Updates-

Sara Berns reported that the Holiday Parade committee met and decided to create a Go Fund Me to help people easily donate online and the theme of this year's Parade is A Beachin' Holiday. Many suggested activating the parade route with lights and decorations to help keep people in PB after the parade. There was a discussion and feedback about Pacific Beachfest and the food vendors. Some suggested having the food vendors have a Taste of PB ticket, similar to the Fish Taco contest to be able to try the different food offerings from all the vendors instead of charging per menu item.
